

Project Profile

Client:

Buccini Pollin

Design Professional:

ArQitecture

Location:

Newark, DE

Delivery Method:

General Contracting

Key Challenges:

- To transform the exterior appearance of the building (formerly MBNA) in order to create an aesthetically unique look for its new tenants.

Iron Hill Corporate Center

The Project Team removed exterior awnings and select trim features as well as prepped and repainted the buildings. The interior renovation included selective demolition of interior walls and finishes, the addition of new glass doors, a curved glass wall on the balcony, new carpeting, painting and the replacement of several existing windows, doors and associated hardware.
