

Project Profile

Client:

Christiana Care Health System

Design Professional:

Christiana Care Design Services

Location:

Wilmington, DE

Delivery Method:

General Contracting

Key Challenges:

- To completely renovate an occupied space in a fully operational hospital.

Christiana Care HR Recruitment Offices

The Christiana Care HR Recruitment Offices project involved heavy demolition and the complete renovation and fit-out of Christiana Care's Human Resources and Administrative Offices at the Wilmington Hospital in Wilmington, DE. Construction included:

- New Sprinkler System
- New HVAC System
- Lighting Upgrades
- Power Upgrades
- New Window Installation
- Information Technology Renovations

The project had to conform to Infection Control Risk Assessment (ICRA) standards and was lead by Project Manager Rob Jadick and Superintendent Tim August.
