

## Project Profile

**Client:**

University of Delaware

# Elliott Hall

**Design Professional:**

Homsey Architects, Inc.

**Location:**

Newark, DE

**Delivery Method:**

General Contracting

**Key Challenges:**

- To update and modernize one of the oldest buildings on the University of Delaware campus.

Listed on the National Register of Historic Places, Elliott Hall is one of the oldest buildings on the University of Delaware campus. The building houses the University's Honors Program, the Office of Undergraduate Studies and the University Advisement Center. Work included upgraded sprinkler systems, and mechanical and electrical systems as well as the addition of air conditioning the building.
