Client:

Bristol-Myers Squibb

Bristol-Myers Squibb

Design Professional:

Various

Location:

Various

Delivery Method:

Program Manager, Construction Manager & Owner's Representative

Key Challenges:

- To serve as the Program Manager, Construction Manager and Owner's Representative on multiple projects at BMS's Central New Jersey facilities including Hopewell, Lawrenceville, Nassau Park, New Brunswick and Plainsboro.

Through a multi-year alliance agreement with BMS, Bancroft has served as the Program Manager, Construction Manager, and Owner's Representative on multiple projects at various New Jersey locations since January 2007. Bancroft has completed 81 projects for BMS over the past two-and-a-half years totaling \$60.6 million. The scopes of the projects include, but are not limited to, office fit-outs, laboratories, clinical testing facilities, and overall campus infrastructure upgrades.
