

Project Profile

Client:
Wawa, Inc.

Wawa - Store #859

Design Professional:
Stantec Architecture, Inc.

Location:
Middletown, DE

Delivery Method:
General Contracting

Key Challenges:

- To construct a high quality retail and gas station within a tight schedule in order to meet grand opening deadline and capitalize on seasonal business.

Bancroft completed Store #859 for Wawa, Inc. This new Wawa is located on Route 299 at Route 1 in Middletown, DE. The interior of the store features Wawa's modern cohesive design using warm colors with upscale lighting and finishes. The large lot size provides customers with improved convenience, open space, and ease of driving and accessing the store. Eight gasoline dispenser sections can fuel 16 cars at once. The exterior also includes dedicated loading zones.

The interior of the store features over 5,500 square feet of retail space including:

- Wide-open and convenient shopping aisles
- A full-service deli
- Fresh fruit and vegetable displays
- Public restrooms
